

Metropark

GPS Trackit Fleet & Asset Tracking

Powerful Business Intelligence

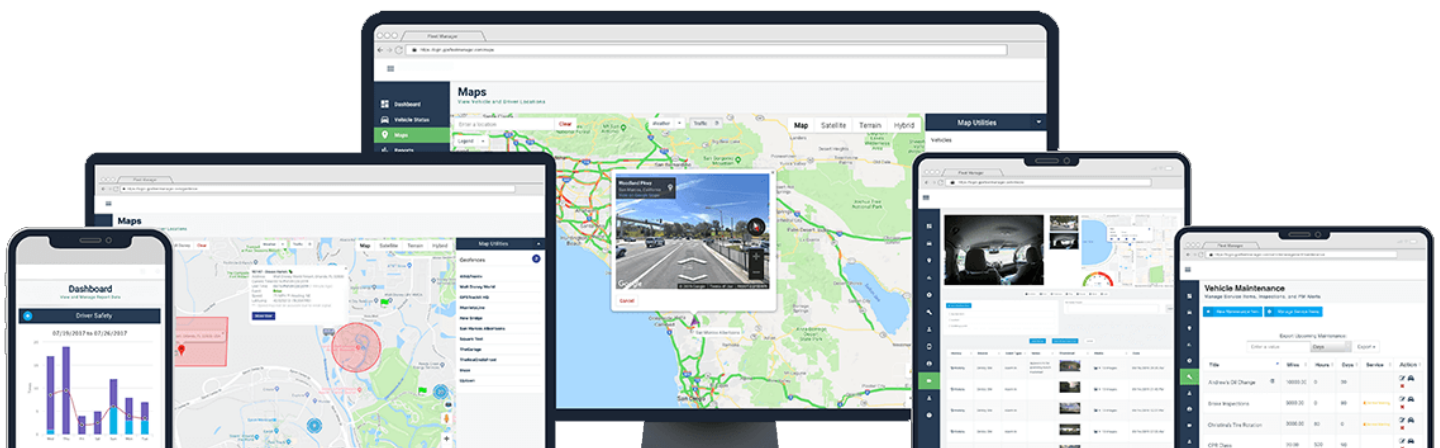

YES, you can empower your fleet with cutting-edge technology, customizable features and 24/7 visibility without the hassle. Our versatile fleet management software is backed by live support, mobile access and online collaboration that's easy to master.

Get a bird's-eye view of your entire operation with interactive maps, breadcrumb trails and the ability to locate the nearest vehicles to a given point -- all backed with the reliability of Google Maps.

Empower Your Fleet - Get Real Results
