

Metropark

“ With the Vendor Consolidation Program Metropark simplified my voice and data systems, reduced our awful complexity, and lowered my monthly costs!! ”

Vendor Consolidation Program

One Bill. One Call. Total Control.

Tired of juggling multiple telecom vendors, finger-pointing, and confusing bills?

Metropark's **Vendor Consolidation Program** makes it simple. We become your single trusted partner — consolidating your voice, data, mobility, equipment, and security vendors into **one easy monthly bill**.

You get **one throat to choke** for everything. No more vendor blame games. Every service is backed by our **VCP Priority Shield** — guaranteed priority support and full accountability.

Why Businesses Choose the VCP

-  *Dramatically lower telecom and technology costs*
-  *Stabilized, predictable monthly spending*
-  *True one-call support - no more vendor runaround*
-  *Consolidated billing with expert invoice review*
-  *Professional management of contracts and vendors*
-  *Access to best-of-breed voice, data, mobility & security solutions*
-  *A dedicated team handling the complexity so you don't have to*

We handle the headaches. You enjoy simpler operations, better service, and real savings.

All protected by the VCP Priority Shield. Ready for simplicity and savings?
